Good

Better information

No suggestion

1) Assignment

2)Test

3)Exam

Teachers are always helping and kind.

Welcoming environment,communication,encourage

1. Digetal class

2. More practical learning

3. Study tour

From my observation i don't have any suggestions regarding with the teaching and learning experience as all teachers teach us well so that's all and Thank you...

To improve library...To improve playground and to improve media

We Want A Science And Commerce stream in our college

Suggestions to improve the overall teaching

Affordable

1.Make the way of teaching more interesting

2.teachers and students should be punctual

3.no suggestions should be provided to the students in times of internal tests and examinations.

We need more books in the library and other learning materials

1. Proper facilities in classroom
2. Proper Attendance show

Construction, digital class, life skills development

Adding of different stream „give more book to our library „adding of vocational courses „

Good knowledge

1. Increase the ICT facilities.
2. Workshops or Seminars for Teachers and Students to be conducted frequently.
3. Improve the process of Teaching and Learning.

Teaching is best effort from teachers lecture, notes and assignment
Students and teachers help each other
learning is based on students personal

By using LCD projector that help the students understand properly and learn faster
* By giving them the examples in each topics that we discussed so that they'll understand easy

To provide more classroom so it won't disturb to take extra classes
To have more room with digital classes
To have a good building in the compound n more seats and space in the library

It can be improve

The teaching process in our institute usually great . Personally ,my suggestion to upgrade the quality of our institute are :-

- 1) to improve the infrastructure of the classroom.
- 2) to provide proper running water in toilets.
- 3) Lastly, our college has not yet have basketball playground , maybe for now, the college authorities have been planning to make / construct one. So, it will not just add the beauty of the college but also to help students(who is interested in basketball) play after the off class.

College basketball court, transportation and full fledged principal.

1. Use better graphics to engage students well. Better graphics arouse the interest and desire to learn among students
2. try to reach every student and ask for their doubts
3. make teaching a two way interaction

- 1) use better graphics and visual media to engage students well.
- 2) try to reach every student and ask for their doubts.
- 3) make teaching a two way interaction.

More streams, like vocational streams also

Need some more experience

Indoor ,outdoor and awareness

Proper playground,more non teaching staff must be added and electricity

Three observation or suggestion to improve overall teaching and learning experience in institution are:

- 1) use better graphics and visual media to engage student well: Better graphics and colors arouse the interest and desire to learn among students. Even if they are in senior classes, this way must be adopted.
- 2) Try to reach every student and ask for their doubts: This can only happen in a class with moderate or limited strength of students, and is extremely important because this way, students concentrate on studies more.
- 3) make teaching a to way interaction: Do not simply give lecture or teach, ask students for their doubts and other questions.

The college needs to be improve for using teaching tools like Lcd projector and multimedia
The building of the college needs to be improved
The electricity in the college also need to be fixee

Need the scientific method

Very Good , Teaching well,and Explainition well in class,

The instructions needs more books in the library

- 1.sound system inside the class for lecturing
- 2.have good benches
- 3.fan

To be better

I like it the way they do, the way they work, the way they teach and after all i enrolled this year into the college so i don't know very well how they work.

Good room
Good digital classes
Need more library books

Electricity, updates books in library and to access smart classes in all the classroom

- 1) Teachers are always helpfull
- 2) staff plays important role and the office staff are also helpful
- 3) teaching/learning process are used

- 1.used beter graphic and visual media to engage students well
- 2.Try to reach every students and ask for their doubts.
- 3.Make teaching a two way interaction

Need more ICT tools such as LCD projectors, multimedia etc while teaching

To make the learning-Teaching process goes better...

To provide learning-Teaching techniques

- 1.Group Discussion
- 2.Counselling
- 3.Students And Teachers Relationship.

More buildings

Ummm better classrooms and digital teaching improvement that's all.....

Do well , teaching to make the other good , make for future good

Less likely needed to improve

Good promte ang agree

- 1.Cleanliness
- 2.Discipline
- 3 Punctuality

- 1)Curriculum should be a little flexible
- 2)Promote educational technology
- 3)Cooperation of the student and the teaching staff

- 1.cleanliness
- 2.Discipline
- 3.punctuality

Smart class room, update books in the library , playground

Provide good infrastructure, library 's book, more computer.

- 1 use better graphic and visual media to engage students well
- 2 try to reach every student and ask for their doubts.
- 3 Make teaching a two way interaction

Ok

Expand student's learning experience

- 1 Use better graphic and visual media to engage students well
- 2 Try to reach every student and ask for their doubts
- 3 Make teaching a two way interaction

- 1) introducing of other streams is required
- 2) introducing of vocational training

- 1.To make sure for building because building in our college is poor.
- 2.To bring the school bus in rural areas to make sure students to be good in transport and attendance, and
3. To make better for playground.

0

- 1-To provide E- leaning material
 - 2-More preferable departments in our college and if please upgrade it to M.A as this is the best Government college in our state and poor people can more become higher educated people .
 - 3- More facilities and Streams of studies for our college as this is the onlycollege in rural areas i,e sohra all student from villages are mostly opt ourself in this collge for highest studies.
- Thankyou (Pretty Mary khongsngi)
(3- sem, English dept)

Yes

Classrooms,computer,books

1. Toilet
2. Classrooms
3. Projectors

- 1.To increase all types of book in our library
- 2.To provide the facilities like health care etc..
- 3.To increase the classroom

1. To provides more transport (vehical)for the students, especially for students who live in rural areas because every times they face the problem with transportation.
- 2.It need to add more subjects in this college.
- 3.It need to grant more stream in college like commerce, science, music class etc.
- 4.to construct playground.

Lack of streams such as science, commerce, vocational and other courses

Lack of infrastructure, transportation science and technology education

Highly suggest to smart class, more books in the library, more computers,big and beautiful compound, playground and basketball playground, proper water supply, more classrooms, big canteen, music class.

ICT tools are very poor need to supply more.

Shortage of consultated books

Poor library

- 1.toilet
- 2.classroom
- 3.projector

Teachers are always helping and kind
Office staff is so helpful
Proper facilities with great guidance

Good
Great
Helping

1. Building should be extended

Be discipline
Always have a positive minded

- 1.Teachers are always helping and kind. Use better graphics and visual media to engage students well.
- 2.Try to reach every students and ask for their doubts. Staff plays important role and the office staff is so helpful in our institute.
- 3.Make teaching a two way interaction. Proper facilities with great guidance. Good Learning experience, nothing all good.

1. Our Institute here does not have any physical activities so i requested to have one or more.
2. Our Institute also need more transportation mode like college bus because we student who stay far from the college find difficult to travel by cab .
3. Our Institute have limited ICD tools such as LCD projector, multimedia etc so the teacher can't use all the time while teaching so i requested to u to provide this also so we can be easily understand while teaching.

- 1.Professional lecturer/teacher
- 2.Punctuality of a teacher
- 3.Co-operation with the students

- 1)sound system
- 2) benches
- 3)fans

1. Create a welcoming environment
2. Communication with colleagues
3. Encourage cooperative learning

our teachers they are teaching us very well
they gives us the notes everytime

Teaching, knowledge and discipline

1. kindly give more projects and real time problem to solve. Industrial problems statement may be given as assignment.

2. Many competition can be conducted and more informative seminars, lecture by an expert required.

3. more emphasis on skill based learning and promoting entrepreneur skill needed.
